Subject: Project Agreement #19

DSS:

Dear Jill:

Attached please find the proposed project agreement for pre-study services for the Total Exposure Follow-Up study. If Covance finds the project agreement acceptable, please print two originals, have them signed on behalf of Covance, and return the originals to my attention.

In order to expedite the execution of the project agreement you may also have a signed copy faxed to my attention at 804-274-3982. I will obtain signatures and have a fully executed copy returned to your attention.

If any questions, please let me know.

Thanks,
Denise
